**FIG. 8**

FIG. 8 is a schematic diagram of a mechanical assembly, likely a medical device, shown in a cross-sectional view. The assembly includes a handle (10) and a shaft (26) connected to a base (20). The handle (10) features a grip (14) and a trigger (16). The shaft (26) is connected to the base (20) via a joint (22). The base (20) includes a housing (170) and a base plate (172). The assembly is shown in a cross-sectional view, revealing internal components such as a spring (110), a piston (112), and a valve (114). The handle (10) is shown in a retracted position, and the shaft (26) is shown in an extended position.
